## CALAFATE DINING TABLE

### IMPORTANT INFORMATION BEFORE STARTING ASSEMBLY:

The assembly must be carried out by at least 2 people.

Do not place glass panes on unprotected hard surfaces, such as ceramic floors, iron, etc., as they may crack.

The base already comes with fixed feet; if there are any uneven areas, lightly sand the nylon of the foot to level it.

**WARNING:** The base is fixed to the tabletop to ensure stability. The table cannot be moved by the tabletop after assembly.
